

A WinOcular Paperless Workplace

Lowers Workloads, Increases Accuracy, and Makes the World a Better Place

eFolio Paperless Advantages:

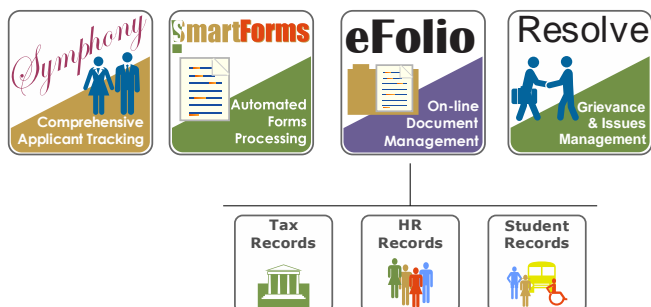

- Improved Accuracy & Accountability
- Increased Security & Privacy
- Ends filing & re-filing tasks
- Freedom from lost paperwork
- Save money – on printing, filing and labor
- Save space - Reduction in physical storage

Why you should start using eFolio now!

- **Reduce paper handling:** *Greater than 70%* reduction in filing tasks
- **Save Money:** Significantly reduce expenses on supplies like paper, folders, staples, toner, & paper clips
- **Eliminate lost document searches:** No searching for misplaced or misfiled documents
- **HR-Optimized** document scanning technology
- **Increase document access:** Multi-person viewing of the same document
- **Improve Security:** Documents are securely accessed by role
- **FOIA requests made simple:** Role-based security means your staff doesn't have to do the work
- **Reduce storage needs:** Dramatically reduce file storage: Fewer cabinets & less paper = more space
- **Organize and Improve the Workplace:** Less labor, a tidier work space = better work environment
- **Improve disaster preparedness:** On-line technology means you don't worry about fire and water damage
- **Go Green:** Environmentally, it's the right thing to do
